Color codes: Approved Elective, College Requirement. Fall and Spring, Fall only, Spring only, Spring and Summer B only.

**PLEASE NOTE:**

*Food Animal students must complete a minimum of 12 credits of approved Food Animal electives for graduation. Please see the Approved Food Animal Elective Listing supplement.*

*Food Animal students must complete a total of 9 credits of Agribusiness courses. Three credits must come from AEB 3133 Principles of Agribusiness Management. The additional 6 credits (minimum) must come from the approved Food and Resource Economics elective listing.*

*ANS 4941 Full-Time Work Experience Internship must be completed prior to graduation. Generally, students will complete internships in the summer term between their junior and senior year; however, students may complete the experience in any semester. Experience must be pre-approved after transfer admission and be a minimum of eight weeks in length, 40 hours per week worked.*

*Although not required for transfer students, students may opt to take courses during summer terms to complete their degree within the recommended time frame of four years.*
