

Animal Sciences Events, 2017

Hippology

The term "Hippology" comes from the Greek "hippo", meaning horse, and "ology", meaning "the study of". Participants will be able to demonstrate their experience and knowledge gained in horse judging, quiz bowl, speeches, and practical horse management. Phases of the contest include a written exam, identification of items shown on slides, placing and/or ID of feed tags or feedstuffs, judging, ID stations, and team problems.

State Contest April 2
-Any # of Senior teams, two Intermediate teams Entry due March 17

Horse Judging

In Horse Judging, youth learn to evaluate a horse's form as it relates to function, and compare it to the ideal as well as to other horses. The added benefit is that it gives youth the opportunity to sharpen their decision making skills and their ability to defend those decisions orally.

Horse Judging School December 10
-Any number of bona fide 4-H/FFA youth Entry due December 5
Florida State Fair February 11
-One any age team, one Senior team Entry due January 30
State Contest April 1
-One Senior team Entry due March 17

Horse Quiz Bowl

The State 4-H Horse Quiz Bowl is a quiz contest made up of questions pertaining to horse topics. Pairs of four-person teams compete against each other responding to questions asked by a contest moderator. This contest offers horse club members the opportunity to demonstrate their knowledge, and compete head to head with other teams.

State Contest *-One Senior team* June 17
-Int. division if at least 2 SR teams Entry due May 24

Horse Demonstrations & Public Speaking

Presenting speeches and demonstrations to share knowledge with others is the heart of the 4-H Program. Any State-level Demonstration/Illustrated Talk or Public Speaking speech in the "Horse" category will be presented at the State Horse Events in Gainesville in June, separate from 4-H University. The State competition qualifies youth for Regional and National events.

State Contest June 17
-County & District forms due May 15 Entry due June 2
Demonstrations – qualify County to District to State – all District "blue" qualify for State.
Public Speaking – qualify County to State – County 1st place winners qualify for State.

Horsemanship School

4-H Horsemanship School is 5 days of concentrated courses in horses and in beginning and intermediate Western and English Horsemanship. Approximately 5 hours per day are spent on horseback with riders grouped according to ability. Riders must be able to groom, tack and mount their horse on their own. Educational topics include general health care, feeding, tack selection and care, fitting/grooming, and safety.

Two weeks in June, TBA

Animal Sciences Events, 2017

Horse Shows

Each year 4-H clubs across the state hold countless local and county horse shows. In the spring, each of the six Areas has a qualification show to determine who will be able to participate at the State show. Only the top 55-63% (exact % determined annually) from each Area qualify to go to the Florida 4-H State Horse Show. The State show typically has ~300 entrants. Of those, the 60 highest point-earning Seniors (& Intermediates competing as Seniors) qualify for the Regional horse Show.

Area Shows – April & May – specific percentage qualify to State
State Show – July 12-15 – top 60 Seniors qualify to Regionals

Hog 'n Ham

Participants experience the total process of pork production from beginning to end. Youth select a feeder pig and grow it to harvesting weight, keeping records on feed amounts and costs, health care, expenses, weights, etc. They harvest the hog, process it into wholesale or retail cuts, cure the hams, and prepare bacon and sausage for smoking. To finish the program, they do a retail comparison project, complete a record book, and present a demonstration or illustrated talk.

Prerequisite Workshop	January 16 (<i>Reg. due Jan. 11</i>)
Applications due	TBD
Harvesting week	August 8-10

Livestock Evaluation

Livestock Evaluation includes educational activities related to the production and marketing of cattle, sheep, and swine. Along with the typical "placing four animals" classes, events include breeding cattle and swine selection classes, market hog evaluation, and feeder and fed cattle evaluation. Youth gain confidence in their decisions by defending them orally.

Livestock & Meats Evaluation Clinic	January 13-14
- Any number of bona fide 4-H/FFA youth, 11+	Entry due January 9
Florida State Fair	February 11
-One any age team	Entry due January 23
State Contest	April 8
-One Senior team	Entry due March 31

Meats Judging

Much of the information learned in Meats Judging is applicable to day to day life, even if the youth pursues a career outside of agriculture. Not only do youth evaluate and compare beef, pork, and lamb carcasses and their wholesale cuts, but also learn retail cut identification and factors affecting meat quality.

State Contest	April 15
-One Senior team, one Intermediate team	Entry due April 7

Poultry Judging

As in Meats Judging, much of the information learned is applicable to day to day life. Youth compare production level of hens, grade carcasses, and learn retail cut identification. Youth will also grade eggs, including exterior quality, interior quality via candling, and broken out egg quality.

State Contest	June 3
-One Senior team, any # of Jr/Int teams	Entry due May 19
