## *Is Willing to Judge*

**Cattle-** Market and breeding classes  
**Swine-** Market and breeding classes  
**Lamb-** Market classes

## *Personal Information*

I grew up raising, showing, and exporting Brahma cattle. I also exhibited crossbred market steers in the state of Florida.

In the last 25 years, my family and I have been very competitive on all levels in the show ring. We have competitively exhibited purebred Brangus cattle at the National level, purebred Angus cattle at the Regional level, and crossbred commercial cattle throughout the states of Florida and Georgia.

My family and I have also shown market show hogs at many levels, including the National Junior Swine Show in Kentucky. Throughout the years, we have earned numerous championships at the county and state levels with our market hogs.

Along with exhibiting animals, I have assisted various ranchers in developing their breeding herds.

## *Judging Experience*

I have judged at many different shows and fairs throughout the states of Florida, Georgia and Alabama

## *Occupation*

Customer Zone Technician at Verizon

## *Education*

Graduated, 1979
