

Presentations

Regional

1.	Adesogan A.T. 2011. Additives and inoculants for improving the preservation of corn silage and round bale grass haylage, Producer Meeting, Quitman, GA.
2.	Adesogan A.T. 2011. Inoculants for improving the preservation of corn and bermudagrass forages. Proc. Corn Silage Field Day, Tifton, GA, May, 2011.
3.	Arriola, K., O., Quieroz, E. Muniz, J. Romero, M. Zarate, J. Hamie and Adesogan A.T. 2011. Reducing DM and nutrient losses in high moisture forages. Proc. Corn Silage Field Day, Tifton GA, FL, May, 2011.
4.	Adesogan, A.T. 2010. Preventing field and storage mycotoxin problems in silages. Proc. Corn Silage Field Day, Citra, FL, May, 2010. (Invited)
5.	Adesogan, A.T. 2009. Effect of rust and other pathogens on forage quality. Proc. Corn Silage and Forage Field Day. University of Georgia, Tifton, June, 2009.
6.	Adesogan, A.T. 2009. Using dietary additives to manipulate rumen fermentation and improve nutrient utilization and animal performance. Proc. 20th Annual Florida Ruminant Nutrition Symp. Gainesville, Florida. February, 2009.
7.	Adesogan, A.T. 2009. New silage hybrids for dairy production. Proc. Southeast Dairy Management Conf. November, 2009. Macon, Georgia. (Invited)
8.	Foster†, J.L., Carter, J.N., and Adesogan, A.T., Sollenberger, L.E., Myer, R. Blount, A. 2008. Improving animal performance with warm-season legumes. Proc. 2008 Florida Corn Silage and Conserved Forage Field Day. Citra, Florida, May, 2008. (Invited)
9.	Adesogan, A.T. 2008. Recent advances in silage inoculant technology. Proc. 19th Annual Florida Ruminant Nutrition Symp., Gainesville, Florida, February, 2008. (Invited)
10.	Foster†, J.L., Adesogan, A.T., Myer, R.O., Carter, J.N., and Blount, A.R. 2008. Evaluation of Warm Season Legume Forages for Livestock: I. Hay. Proc. Am. Peanut Res. Ed. Soc. v. 40 (available at www.apresinc.com/proceedings.html) (Contributed)
11.	Foster†, J.L., Adesogan, A.T., Myer, R.O., Carter, J.N., and Blount, A.R. 2008. Evaluation of Warm-Season Legume Forages for Livestock: II. Haylage. Proc. Am. Peanut Res. Ed. Soc. v. 40 (available at www.apresinc.com/proceedings.html) (Contributed)
12.	Adesogan, A.T. 2007. International experiences and opportunities for students in agriculture. Proc. Region II Workshop of Minorities in Agriculture, Natural Resources and Related Sciences Conf., October 26-27, 2007. Gainesville, FL. (Invited)
13.	Adesogan, A.T., Staples, C.R., and Wasdin, J. 2007. Summer annual forage quality: Florida corn & sorghum hybrid test results. Proc. 2007 Corn silage and conserved forage field day. Tifton, GA. (Invited)
14.	Adesogan, A.T., Kim*, S.C., Arriola†, K.G., Dean†, D.B., and Staples, C.R. 2007. Strategic addition of dietary fibrolytic enzymes for improved performance of lactating dairy cows. Proc. 18th Annual Florida Ruminant Nutrition Symp., Gainesville, Florida, January, 2007, pp. 92-110. (Invited)
15.	Adesogan, A.T. 2006. Factors affecting corn silage quality in hot, humid climates. Proc. 17th Annual Florida Ruminant Nutrition Symp., Gainesville, Florida, January, 2006. pp. 108-119. (Invited)
16.	Wasdin, J., Staples, C.R., and Adesogan, A.T. 2006. Silage hybrid performance trial results in 2005. http://www.animal.ufl.edu/Dairy/corn%20silage%20field%20day/2006/2006%20CORN%20SILAGE%20HYBRID%20PERFORMANCE.pdf . (Invited)
17.	Adesogan, A.T. 2005. Optimizing silage quality for dairy cattle. Proc. Southeast Dairy Management Conf. November, 2005. Macon, Georgia. (Invited)
18.	Adesogan, A.T. 2005. Factors affecting the quality of corn silage in Florida. Proc. Corn Silage Field Day, Citra, FL, May, 2005. (Invited)

19.	Adesogan, A.T. 2005. Exogenous fibrolytic enzymes for enhancing forage quality and animal performance. Proc. Sigma Xi Seminar Series. April, 2005. UGA, Tifton, Georgia. (Invited)
20.	Wasdin, J., C. Chambliss, Adesogan, A.T and C.R. Staples. 2005. Silage hybrid performance trial results in 2004. http://www.animal.ufl.edu/dairy/corn silage field day/cornsilageFD.shtml . (Invited)
21.	Adesogan, A.T. 2005. Improving forage quality and animal performance with fibrolytic enzymes. Proc. 16th Annual Florida Ruminant Nutrition Symp., Gainesville, Florida, January, 2005. Pp. 91-109. (Invited)
