**File Names** - When working on a paper or protocol, there can be many versions of the file floating around (on flash drives, in email, on u or v drives, etc). To avoid the accidental use of an earlier obsolete version of a file (this has happened), please use the following protocol for naming files:

Your name/ name of the file/ initials of last person to edit/date of last edit

*For example Loureiro GMCSF Brooksco lb 08062007.doc*

*When I edit it, I will name it Loureiro GMCSF Brooksco pjh 08072007.doc*

**Histology** - Slides can be prepared at the following local lab:

Beverly Robinson  
Histology Tech Services  
239 SW 7th Terrace, Suite C  
Gainesville, FL 32601
