#### PLEASE NOTE:

\*Equine students must complete a **minimum** of 2 credits of approved Equine Practicum electives for a minimum **total** of 3 credits for graduation. Please see the Approved Equine Practicum Elective Listing supplement.

\*Equine students must complete a **total** of 9 credits of Agribusiness courses. Three credits must come from AEB 3133 Principles of Agribusiness Management. The additional 6 credits (**minimum**) must come from the approved Food and Resource Economics elective listing.

\*ANS 4941 Full-Time Work Experience Internship must be completed prior to graduation. Generally, students will complete internships in the summer term between their junior and senior year; however, students may complete the experience in any semester. Experience must be **pre-approved** after transfer admission and be a **minimum** of eight weeks in length, 40 hours per week worked.

\*Although not required for transfer students, students may opt to take courses during summer terms to complete their degree within the recommended time frame of four years.
