****Recommended to take in-person as transient student at local college**

Updated July 2018

PLEASE NOTE:

PaCE Requirement for Transition to Campus

- Complete a minimum of 15 credits and two semesters through UF Online
- Complete a total of 60 credits and all pre-requisite (critical tracking) courses for major with minimum required GPA

Transient Coursework for PaCE Students

- PaCE students enrolled in the Animal Sciences Food Animal major are allowed to take transient coursework at their local state or community college prior to transitioning to UF campus
 - Student must receive prior approval for transient coursework each semester from the student's major advisor, UF CALS, and the local college they wish to take coursework at
 - It is strongly recommended that PaCE students complete all math and science coursework as a transient student – all other coursework must be completed through UF Online
- PaCE students who do not enroll in at least one UF Online course for two consecutive semesters (summer terms included) before transitioning must apply for re-admission (which is not guaranteed). Skipping a single term is acceptable and will not require an application for re-admission.

UF General Education Requirements: 36 Total Credits earned with min. grade of C – no S/U grades

- Minimum of (6) H and (6) S → UF Core requirement meets (3) H from IUF 1000
- Minimum (3) N and (3) D → (D) and (N) courses can also be counted toward (S) or (H) requirements
- Gordon Rule (WR): 24,000 words required
ENC 1101 + ENC 1102 + AEC 3033C/ENC 2210 or 3254 = 18,000 words

Students entering a Florida State University Institution must complete 9 hours during Summer terms at a Florida State University Institution – this does not include state or community colleges

Food Animal students must complete a minimum of 12 credits of approved Food Animal electives for graduation. Please see the Approved Food Animal Elective Listing supplement.

Food Animal students must complete a total of 9 credits of Agribusiness courses. Three credits must come from AEB 3133 Principles of Agribusiness Management. The additional 6 credits (minimum) must come from the approved Food and Resource Economics elective listing.

ANS 4941 Full-Time Work Experience Internship must be completed prior to graduation. Generally, students will complete internships in the summer term between their junior and senior year; however, students may complete the experience in any semester. Experience must be pre-approved after transfer admission and be a minimum of eight weeks in length, 40 hours per week worked.
