Color codes: **Approved Elective**, College Requirement, **Fall and Spring**, **Fall only**, **Spring only**, **Spring and Summer B only**

PLEASE NOTE:

***Food Animal students must complete a minimum of 12 credits of approved Food Animal electives for graduation.** Please see the Approved Food Animal Elective Listing supplement.

***Food Animal students must complete a total of 9 credits of Agribusiness courses.** Three credits must come from AEB 3133 Principles of Agribusiness Management. The additional 6 credits (**minimum**) must come from the approved Food and Resource Economics elective listing.

***ANS 4941 Full-Time Work Experience Internship must be completed prior to graduation.** Generally, students will complete internships in the summer term between their junior and senior year; however, students may complete the experience in any semester. Experience must be **pre-approved** after transfer admission and be a **minimum** of eight weeks in length, 40 hours per week worked.

***Although not required for transfer students, students may opt to take courses during summer terms to complete their degree within the recommended time frame of four years.**
