COURSE DESCRIPTION
ANS 3934 offers an introduction to careers in the livestock industry and a discussion of career
exploration, career preparation, and the procedure of job placement

COURSE FORMAT
Support materials will be presented by instructors and discussed with students during the first few
weeks. Guest speakers from various careers will participate in panel discussions. Many speakers will be
UF alumni.

SCHEDULE
Monday and Wednesday
Period 4 (10:40 AM to 11:30 AM)
ANS 151
COURSE OBJECTIVES
1. To help students understand the broad scope of disciplines and opportunities that exist in the beef, equine, dairy and pork industries.
2. To help students become marketable candidates for positions of their choice in the production, marketing and processing of beef cattle, swine and dairy.
3. To help students become marketable candidates for positions in the production, training, and utilization of horses.
4. To help students become marketable candidates for positions in the livestock support and allied industries (feed, health, sales, promotion, etc.).
5. To help students develop a plan for career development and evaluate their current readiness for positions in the industry.

CLASS ATTENDANCE & EXPECTATIONS
Attendance and active participation are mandatory and necessary for educational success, especially on days of invited speakers. An unexcused absence will have a negative impact on your grade. Request for an excused absence must be received in advance of missing class by contacting Mr. McQuagge and Mrs. Imler.

- *Dress Code*
  - On days of invited speakers, dress code is business casual (nice blue jeans are acceptable). No shorts, sleeveless shirts, flip-flops, t-shirts, caps, or hats
- *Cell phones & Laptops*
  - Please have your cellphones OFF & your laptops CLOSED during class

Requirements for class attendance and make-up exams, assignments and other work are consistent with university policies that can be found at: https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx.

## GRADES AND GRADE POINTS

For information on current UF policies for assigning grade points, see [https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx](https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx)

## CLASS ASSIGNMENTS

1. **Resume and Resume Review – 100 Points**
   - Develop and submit a resume for a position of your choice. **When submitting your resume, please attach the position description you have tailored your resume for.**
   - Use materials presented by Mrs. Cathy Carr and Mr. Corey Graff to ensure your resume is appropriate for an internship or a post-graduate position in the industry.
   - Have your resume reviewed by Mrs. Cathy Carr, the Career Connections College of Agricultural and Life Sciences Liaison, your academic advisor, and/or the UF Career Connections Center. **You must have the individual reviewing your resume initial your rough draft of the resume – you will submit this draft along with your final resume and position description.**
   - Submit a copy of your resume’ and position description to Miss McKinney via Canvas no later than April 1, 2020.
CLASS ASSIGNMENTS (continued)

2. **Industry Activity or Career Shadowing Activity – 100 Points**
   - You have the option to complete either one industry activity or one career shadowing activity by the end of the semester. **You must complete at least ONE of these activities this semester.**
     - **A. Industry Activity:**
       - Attend an activity associated with the livestock industry (extension meeting, breed association function, sale, horse show, cattlemen’s meeting, etc.) where professionals are participating in their career role. **This should be a new experience!**
       - A one-page report will include a discussion of the event, its purpose, list of professionals involved and their duties connecting the activity to the industry.
     - **B. Career Shadowing Activity:**
       - You will spend an entire 8-hour workday with an animal industry professional **(who is NOT a veterinarian)** that represents a career goal you have interest in. Selection of the person should be done with the course instructors and your academic advisor prior to completing the activity.
       - After completing a day of shadowing you should have a good understanding of the career area and position. You should also know the responsibilities and requirements for placement, and characteristics of a successful employee in this position.
       - A one page “Word” document documenting the experience and what insight you have gained into the profession should be submitted by the end of the semester.

   - *Please Note:* It is in your best interest to complete the Career Shadowing or Industry Activity during the first couple of months of the semester. **Do not wait until the last week of class to complete these assignments.** The reports can be submitted through Canvas for grading at any time throughout the semester, but must be submitted **no later than April 13, 2020.**
CLASS ASSIGNMENTS (continued)

3. **Internship Plan/Professional School Plan – 100 Points**
   * Food Animal & Equine Specialization students must create an Internship Plan
   * Animal Biology Specialization students must create a Professional School Plan
   * Students in other majors need to discuss which plan to complete with Mrs. Imler before submitting

Download and complete the Internship or Professional School Plan from Canvas, which will include:

- Brief career goal
- Your strengths and their relevance to your career of choice
- Your weaknesses and how you can improve these weaknesses
- What the internship and/or professional development experiences should do to make you a better candidate for positions that meet your career goal
- How will you “network” to find internship and/or professional development opportunities?
- What are the steps that you will complete to establish your internship and/or professional development experiences?
- What is the best semester(s) for your internship and/or professional development experiences? Why?

Once you developed the plan, make an appointment with Mrs. Imler here: [https://amieufansci.youcanbook.me/](https://amieufansci.youcanbook.me/) or via email (amie.taylor@ufl.edu) to discuss the plan before submitting the final document. **Turn in plan to Mrs. Imler via Canvas by April 20, 2020.**

Academic Honesty, Software Use, Campus Helping Resources, Services for Students with Disabilities

**Student Honor Code**

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code ([sccr.dso.ufl.edu/process/student-conduct-code/](http://sccr.dso.ufl.edu/process/student-conduct-code/)) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

**Software Use:**

All faculty, staff and students of the university are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal
penalties for the individual violator. Because such violations are also against university policies and rules, disciplinary action will be taken as appropriate.

Services for Students with Disabilities
The Disability Resource Center coordinates the needed accommodations of students with disabilities. This includes registering disabilities, recommending academic accommodations within the classroom, accessing special adaptive computer equipment, providing interpretation services and mediating faculty-student disability related issues. Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation 0001 Reid Hall, 352-392-8565, https://disability.ufl.edu/

Campus Helping Resources
Students experiencing crises or personal problems that interfere with their general wellbeing are encouraged to utilize the university’s counseling resources. The Counseling & Wellness Center provides confidential counseling services at no cost for currently enrolled students. Resources are available on campus for students having personal problems or lacking clear career or academic goals, which interfere with their academic performance.
